NATIONAL SYMPOSIUM WITH INTERNATIONAL PARTICIPATION

**THE STATE OF TRANSBOUNDARY AQUATIC ECOSYSTEMS
OF THE REPUBLIC OF MOLDOVA**

The 3rd edition, October 16, 2026, Chisinau, Republic of Moldova

Dear colleagues,

We kindly invite you to participate in the national symposium with international participation “The State of Transboundary Aquatic Ecosystems of the Republic of Moldova”, which will be held on October 16, 2026 at the Institute of Zoology of the Moldova State University (1 Academiei Street, Chisinau, MD 2028).

Symposium is organized within the research subprogram of the Moldova State University 010701 “Evaluation of the structure and functioning of animal world and aquatic ecosystems under the influence of biotic and abiotic factors in the context of ensuring ecological security and the well-being of the population” – ZOOAQUATERRA.

THEMATIC AREAS

1. Complex monitoring and methodological aspects of estimating water quality and the state of hydrobiocenoses;
2. Biodiversity and the role of hydrobionts in the functioning of transboundary aquatic ecosystems;
3. Ecotoxicological investigations in deciphering the functionality of aquatic ecosystems and developing biotechnologies in aquaculture;
4. The state of ichthyofauna and maintaining the number of rare species through the sustainable use of aquatic ecosystems and the development of ecological fish farming.

PARTICIPATION CONDITIONS AND REQUIREMENTS

The persons willing to participate are invited to complete the registration form and submit it together with the article to be presented at the conference via e-mail: **ecotox@yahoo.com**. Contact person: Zubcov Elena, stationary phone: +37322 73-75-09; mobile: +373 60191179.

Deadline for registration and paper submission: September 10, 2026.

The symposium will be held in person or, as the case may be, in a mixed format, and will include a plenary session and a thematic communications session. The official languages of the event – Romanian, English, Russian.

Within a maximum of 5 working days from the receipt of the registration form and paper, each registered participant will receive a confirmation of their registration to the conference by e-mail. If you do not receive the registration confirmation e-mail within the above-mentioned deadline, please contact the conference organizing committee at the above-mentioned e-mail address or by phone numbers.

The organizing institution will publish a volume that will contain the papers in Romanian or English, selected by the Scientific Committee to be presented at the conference, as well as the symposium program. Each work included in the collection will be assigned a UDC identifier and a DOI identifier.

The contributions will be presented as oral presentations, prepared in PowerPoint software. The time allocated for each communication in the plenary session will be 20 minutes, and in the thematic session – 10 minutes for the actual presentation and 5 minutes for possible questions and answers. Presentations can be made in Romanian, Russian or English (as appropriate).

Drafting requirements:

The text written in Romanian or English will occupy at least 5 complete pages, A4 format, 210x297 mm, margins: left - 30 mm, right - 15 mm, top and bottom - 20 mm, in the Word for Windows program, font Times New Roman, size 12, line spacing 1.15, paragraph indentation of 1 cm, no hyphenation.

First line is the title of the paper – all capital letters, bold, centered, the second line, at one interval – author's name, surname and ORCID ID. The total number of authors of a work will not exceed 6, the number of works by one author will not exceed 3.

At one interval the affiliation of authors follows (institution, city, country), and the e-mail address of the corresponding author will be indicated (in a separate centered line). Then at 2 intervals the text of the paper follows.
